

The WELLfluent™ Know Their Health!

AvMed's Personal Health Assessment (PHA) is an online tool that helps you understand your current health status.

By completing this confidential questionnaire, you will receive a personalized scorecard including recommendations and resources to help you target possible risks while saving on healthcare costs.

It's a great step toward taking your place among the WELLfluent™, Floridians who live a life rich in what really matters – physical, emotional, and spiritual health. The WELLfluent movement celebrates you taking charge of your health and making positive changes, however small, one WELLfluent day at a time.
