Checklist for Referral Package
For Liver/GI Transplant Patients

305-355-5095 (Referral Line) 305-355-5790 (Fax Line)

Email Contact: MTILiverInfo@med.miami.edu

Please forward us the following information

Copy of ALL insurance cards (back and front)

Medical history – this can be sent from your referring doctor

Recent labs

Copies of diagnostic tests done in the last 6 months (chest x-ray, EKG, Doppler ultrasound of liver, CAT scan or MRI of abdomen, upper endoscopy, colonscopy)

The following tests will also need to be completed:

- TB test within one year
- Hepatitis A and B vaccines
- Pneumovax vaccination within 5 years
- Influenza vaccination during flu season
- Dental examination within one year stating your mouth is free of infection

All females must provide GYN/PAP results (if >25 years of age) and mammogram (if >40 years of age)

If you have any questions regarding this please contact your transplant coordinator or his/her assistance to discuss your questions/concerns.
